**"SPANISH ADVENTURE" ...a private group tour limited to 24 participants
April 19 to April 30, 2007.**

Dear Traveler:

We wish to inform you that the majority of the participants have preferred to use only FOUR STAR SUPERIOR HOTELS. As you know I was going back and forth to Spain for 10 years during my second life in the tour business. This experience served me very well and has helped me in choosing hotels that could make the difference. The SUPERIOR hotels chosen are just great hotels. These hotels feature great service, excellent amenities and are centrally located, near shops and museums.

Mario Costantini

Highlights of the trip:

- The famed El Prado Museum in Madrid
- High speed AVE train from Madrid to Seville
- Jewish Quarters "Barrio de Santa Cruz" in Seville
- The "Sagrada Familia" Cathedral in Barcelona.
- Gaudi's architectural wonders in Catalonia
- Marbella famed Mediterranean beaches
- Jerez de la Frontera where the famed sherry was "invented"
- Granada world famous Alhambra Castle

We have space for 24 persons. Please send your deposit in time to take advantage of the \$200 per couple incentive.
